GIVING MOMENTS

In August, we are never alone in our giving!

This month we send our children back to school. Back to the hectic schedules, back to the morning routine, back to earlier bedtimes (we hope!), and back to being around many people each and every day. Take time before school starts to remind your child that he/she is never alone when it comes to making good choices. God is right there to guide them. God is right there celebrating with them when they share His love with others!

BUDDIES FOR CHRIST

Our buddies for Christ ministry provides children, who may have special needs, the support to be successful and become active participants learning about God during our Sunday programs. Contact Ms. Megan at megan@kleinumc.org if you feel your child would benefit from this program, to find out more information about this program, or if you are interested in volunteering as a buddy. Buddies would only be committing for one Sunday a month unless you would like to do more! Youth can be buddies, too!
